Dear Supporter,

Want to make a difference in the lives of domestic violence survivors? Consider sponsoring the inaugural **Walk a Mile in Her Shoes**® event to kick off *Domestic Violence Awareness Month*.

This year we are kicking-off *Domestic Violence Awareness Month* on Thursday, September 29, 2022 with **Walk a Mile in Her Shoes**®. At this event, local “dignitaries” and other walkers will honor women by walking in **high heeled shoes** in downtown Racine during the Racine Harbor Market. This event is designed to generate community awareness of domestic and sexual violence, including the many struggles of survivors, while raising the much-needed funds to support the mission of the *Women’s Resource Center*.

The *Women’s Resource Center* of Racine provides shelter and services to **over 600 victims** of domestic violence, sexual assault and other interpersonal violence each year. As the primary provider of victim support in Racine County it is our desire to commemorate the untold number of victims who have suffered at the hands of an abuser and those who have tragically lost their lives. Women and children are disproportionately impacted by domestic violence.
