

Dear Supporter,

The Women's Resource Center in partnership with Bethany Apartments will offer **Vegas Night Gala** on **Friday, May 10, 2024** at Fountain Banquet Hall in Sturtevant. Attendees will play at gambling with all proceeds going to support domestic violence programming. Players can win a variety of prizes, enter raffles including a 50/50 raffle, taste finger food, drinks, and enjoy the lively music of *After Hours Band!* Experience the thrill of Vegas entertainment while you support a worthy cause.

The Women's Resource Center has provided domestic violence services since 1977. Over the past years Women's Resource Center has been able to expand the services we offer. We could not do this without support from businesses and community members such as yourself.

We hope this event will generate community awareness of domestic and sexual violence and an understanding of the many challenges and struggles survivors face, in addition to raising much-needed funds to support the *Women's Resource Center*.

The *Women's Resource Center* of Racine provides shelter and services to **over 850 victims** of domestic violence, sexual assault, and other interpersonal violence each year. WRC provides services **to a large portion of southeastern** Wisconsin, and it is the only domestic violence service provider in Racine County. One in three women and one in four men are victims of domestic violence in their lifetimes. **With your help victims need not suffer in silence.**
