

Dear Supporter,

You can make a difference in the lives of survivors of domestic violence! Please consider sponsoring the Women's Resource Center's Walk to Break the Silence as we kick off Domestic Violence Awareness Month on Thursday, September 28, 2023 at Monument Square.

The Walk to Break the Silence is meant to generate community awareness and education about the tragedy and devastation that domestic violence imposes on its victims. The event will honor survivors who have bravely agreed to share their stories with us. Representatives from local organizations who serve victims and survivors will be present to answer questions and provide information. In addition to the Women's Resource Center, BeLeaf, Fight to End Exploitation, Bethany Apartments, SAFE Haven of Racine, Planned Parenthood, LGBTQ Center of Southeast WI will be in attendance.

Women's Resource Center is the primary provider of victim support in Racine County and shelters and serves over 1,200 victims of domestic abuse, sexual assault and other interpersonal violence each year. It is our desire to commemorate the untold number of victims who have suffered at the hands of an abuser and those who have tragically lost their lives. Women and children are disproportionately impacted by domestic violence.

Women's Resource Center Advocate - \$2500+

Company named as sponsor in print/social media as an advocate level sponsor, logo on signage at the event
